ENGLAND'S BEST REGION TO BE A NURSE THIS INTERNATIONAL NURSES DAY

To celebrate International Nurses Day, we launched an investigation to determine the best region in England for nurses, focusing on staff morale, housing affordability, NHS pressure, and other factors affecting nurse happiness.

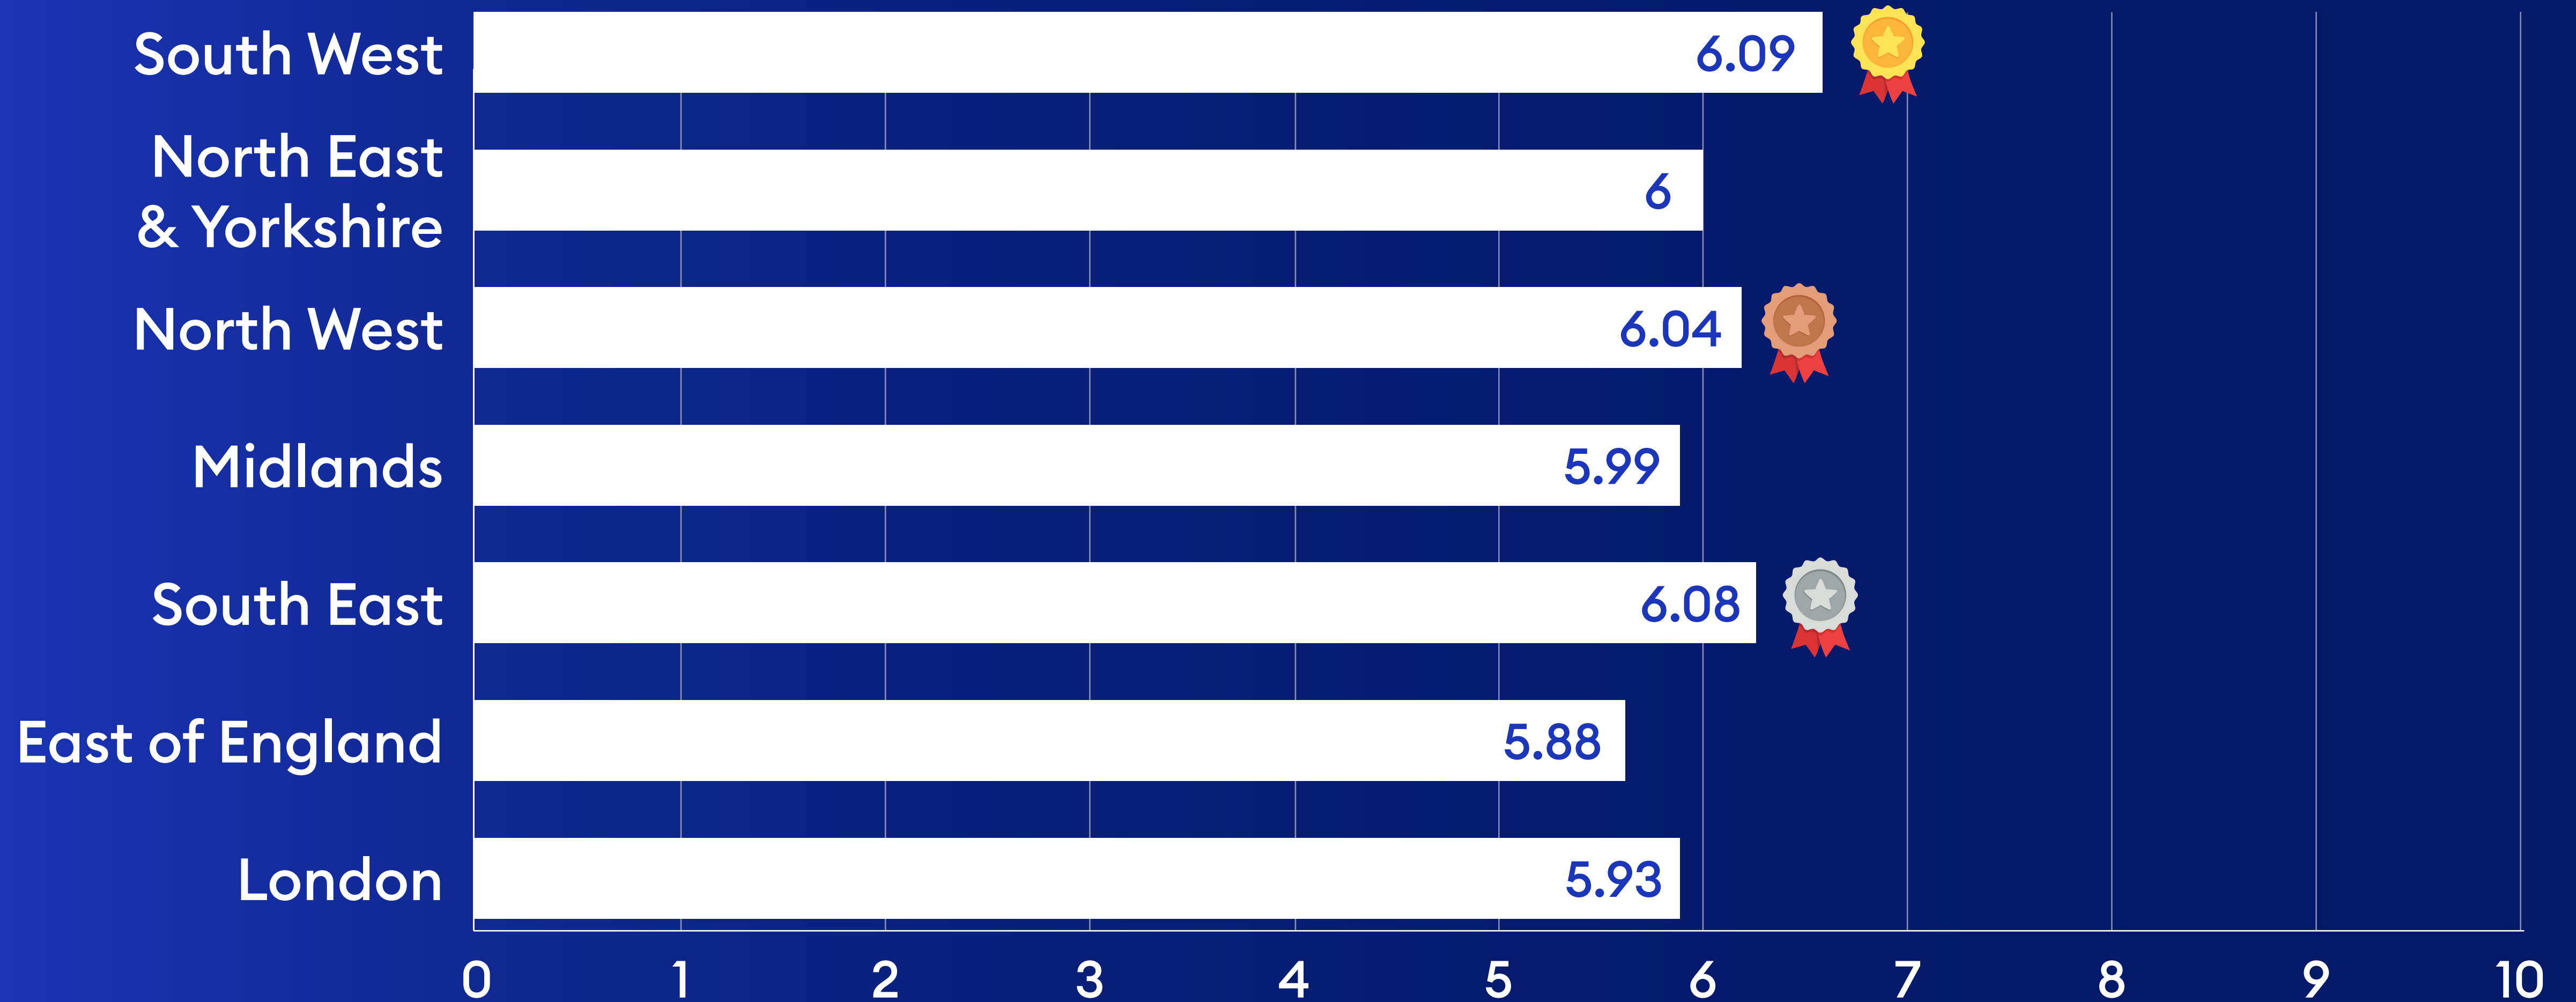

Key indicators included regional vacancy rates, staff feeling recognized and rewarded, morale, absence rates, nurse-to-patient ratios, property affordability, and regional mental health support for staff.

Vacancy Rate:

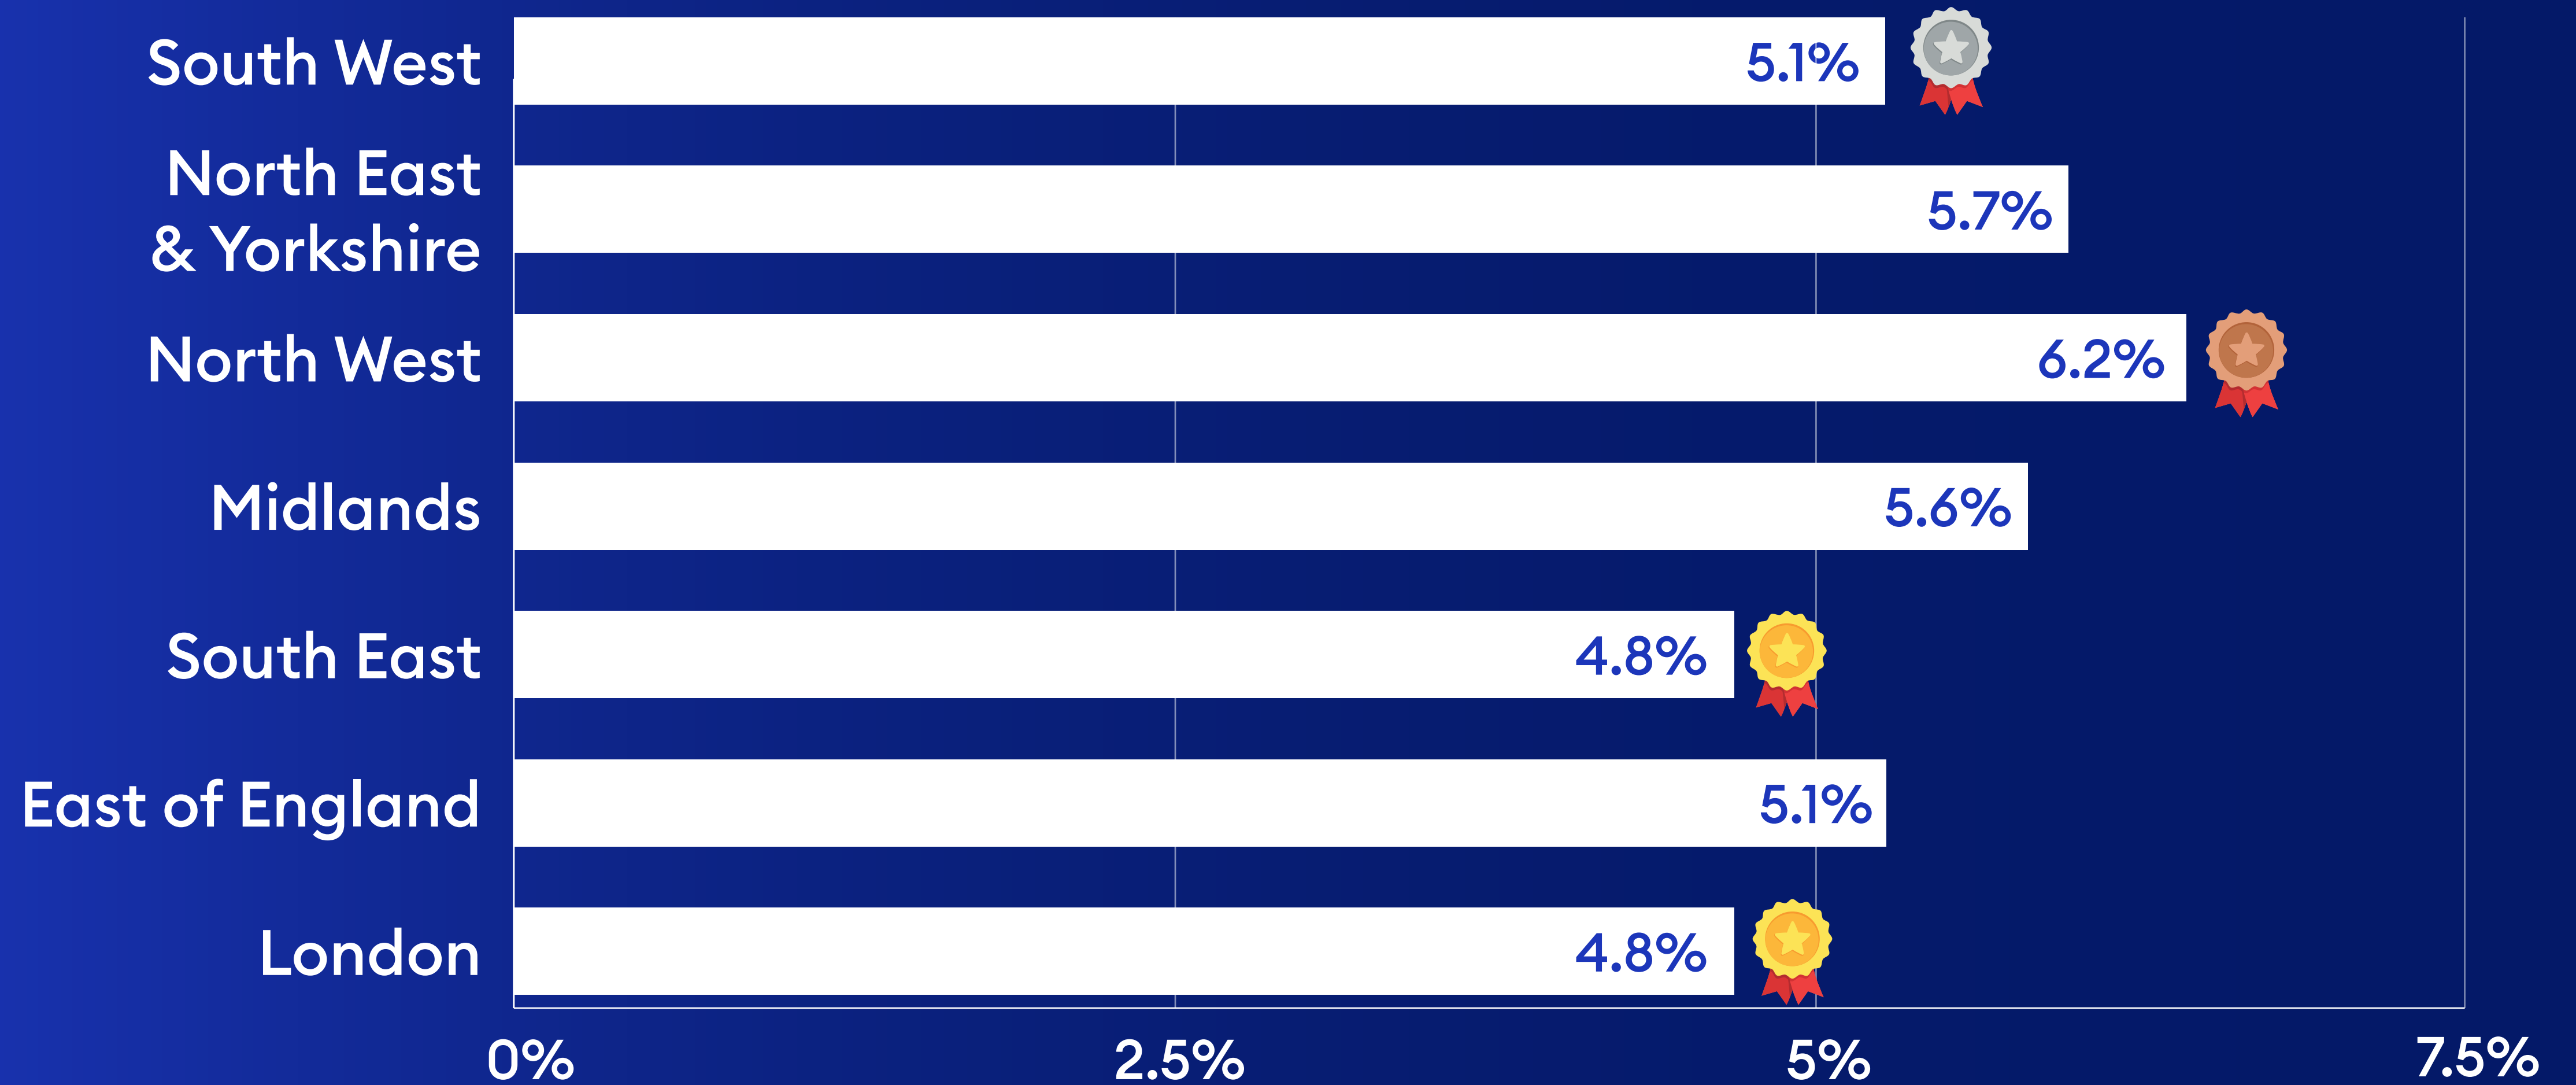

Average score out of 10:
“We are recognised & rewarded”:

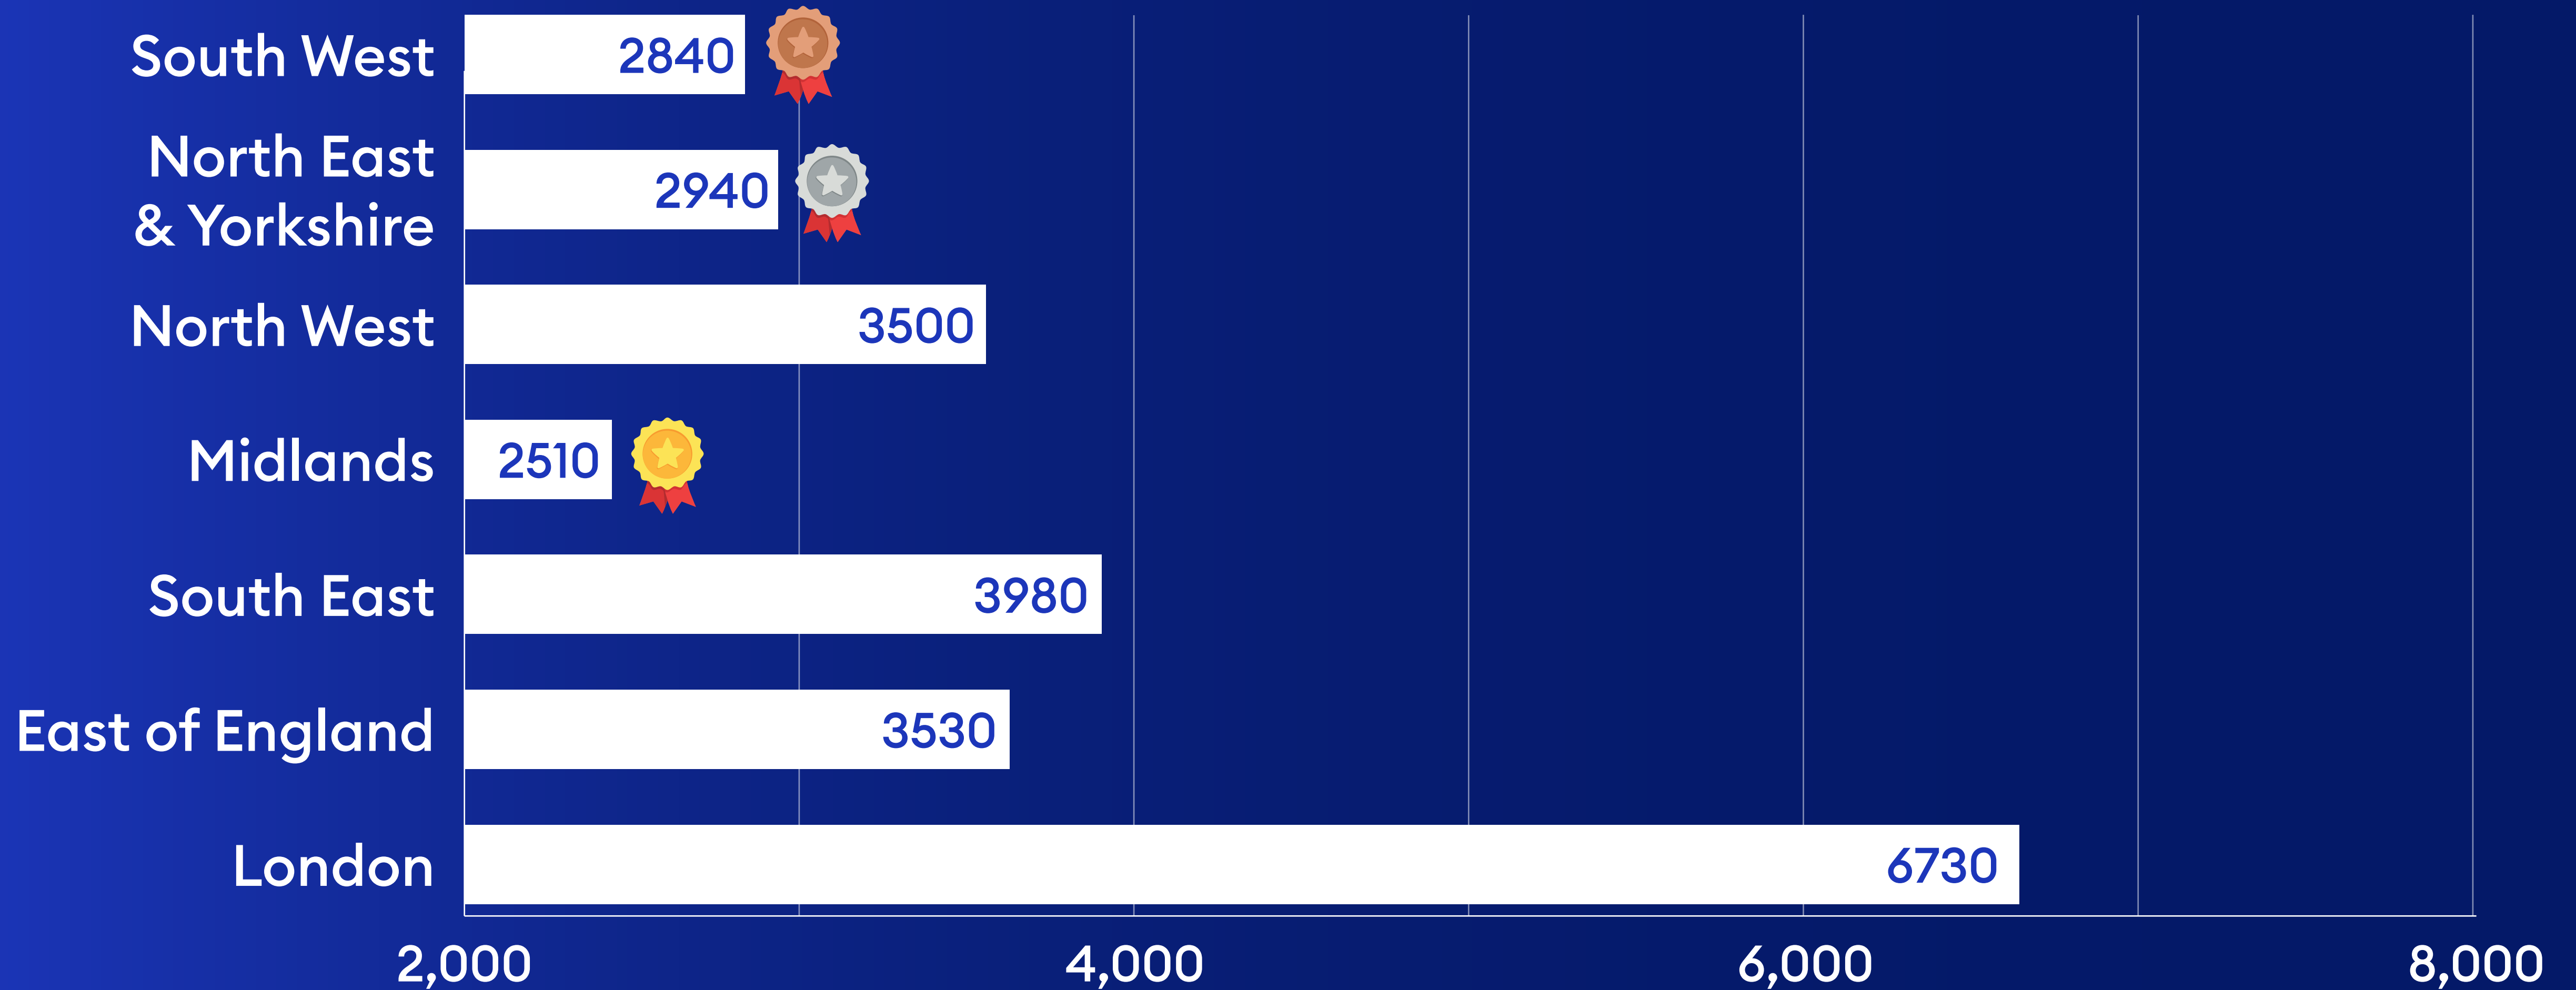

Average score out of 10: Morale

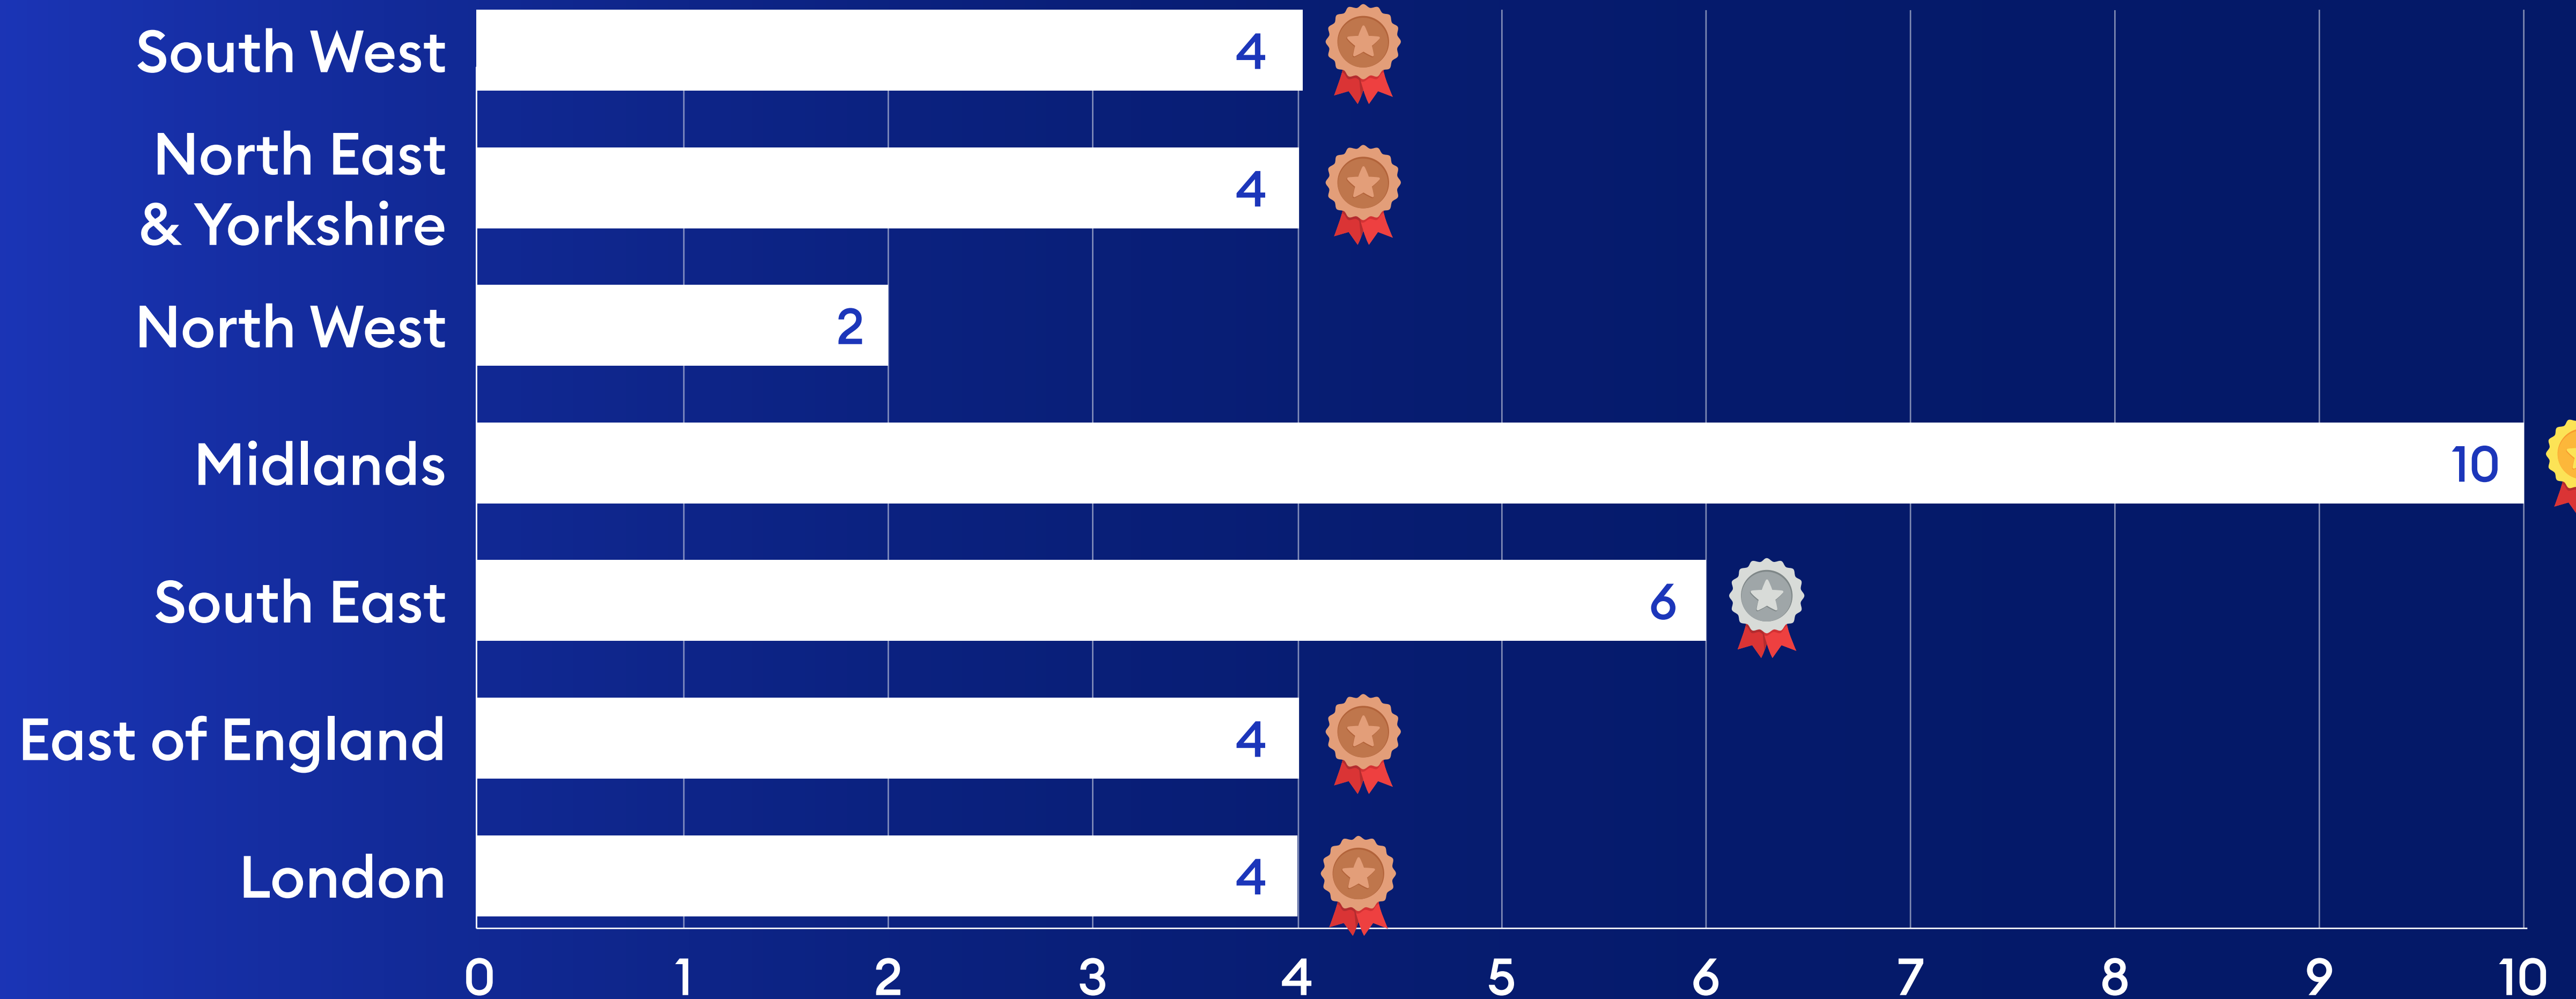

Sickness Absence Rates:

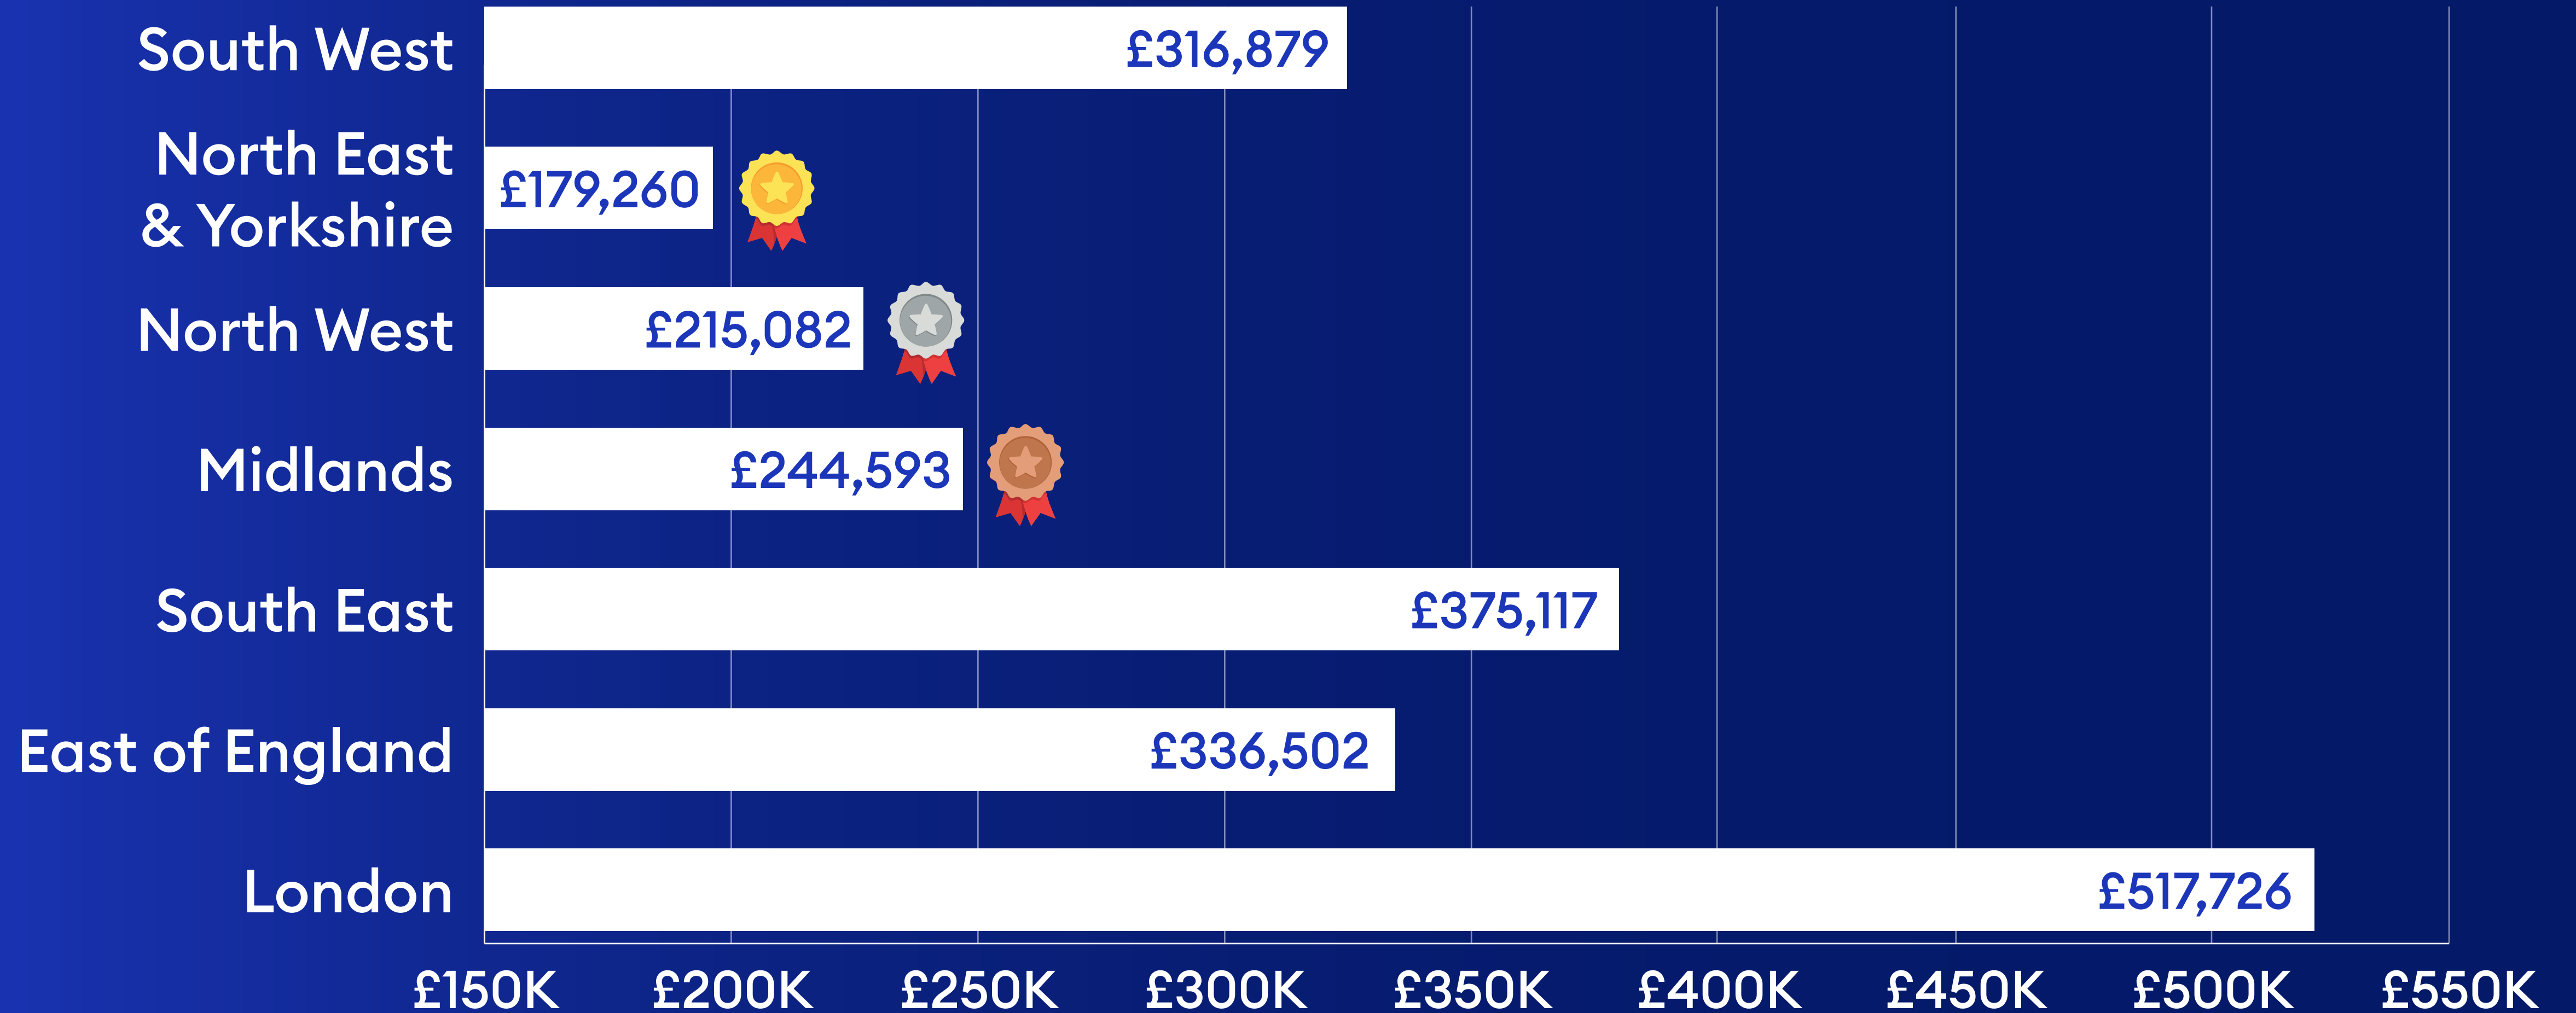

Patient to staff numbers at GP Practices in England:

Number of staff mental health and wellbeing hubs:

Average property price

1 South West 

2 North East & Yorkshire 

3 North West 

4 Midlands 

5 South East 

6 East of England 

7 London 

FINAL RESULTS:
England's best
region to be a nurse
